NOTICE

We do not accept protected game, hides, birds, or fish that have not been taken during their season and within the laws set forth by Texas Parks & Wildlife. All accepted taxidermy work must be legally tagged according to Texas Parks & Wildlife regulations. We do not pay shipping charges to or from destination so please save time and expense by arranging prepaid shipments. Shipping of taxidermy work is done via professional Trophy Haulers. We will assist in arranging the pickup of the taxidermy work and providing the Trophy Hauler with your contact information for delivery. Payment for taxidermy shipping is made by the customer directly to the Trophy Hauler. We are not responsible for loss of game due to theft, fire, natural causes, acts of God, or taxidermy damaged by Trophy Haulers while in transit to their destination. Trophy Haulers will accept responsibility for damages that occur while in their possession and work with local reputable taxidermist to arrange for repairs to be made. Once the taxidermy leaves our door, we no longer are responsible for the care of the mount.
